The last order dated on or before July 20, 2000 granting appellant counsel's request for extension of time indicated that no further extensions of time will be granted. Based solely on the representation of counsel Andrew R. Rubin that he will file appellant's opening brief in this matter "by the end of the year," the request for extension of time is granted, and appellant's opening brief shall be served and filed on or before January 20, 2001.

If the brief is not filed by that date, the court will consider issuing an order directing appellant's counsel to show cause before this court, when the matter is ordered on calendar, why counsel should not be held in contempt of court and further payments suspended or other sanction imposed for his delay in the appellate process occasioned by the approximately 18 month extension of time thus far granted.
